

Missouri District LWML Mission Grant 2006-2008

15-Passenger Van for the Lutheran Mission of the Good Shepherd
Kansas City \$15, 437.98 (Partial)

We were able to fully fund this project with funds returned from other grants.

LWML mites will help fund the purchase of a new 15-passenger van for the Lutheran Mission of the Good Shepherd in Kansas City, MO. The van will provide transportation for needy inner city children and adults to worship services, Bible classes, VBS, and other events where the Gospel is shared. Lutheran Mission of the Good Shepherd is engaged in the startup of three new Hispanic ministries at Kansas City area congregations where transportation to new contacts in each community is necessary.

Dear Creator of all things, You have provided mission fields aplenty for us to share Your Good

News. Frequently we think of missions as being in some far-away place, forgetting that You often bring the mission opportunities right into our own neighborhoods. Lutheran Mission of the Good Shepherd in Kansas City has been blessed with the awesome responsibility of witnessing to inner-city children and adults as well as the starting of three new Hispanic ministries in the community. Bless those who will use this van as it provides transportation to worship services, Bible classes, VBS, and other Gospel-sharing events. May their ministry efforts be blessed mightily by You and may many more be transported into the loving family of Christ. In His name, we pray. Amen.

Dear Mrs. Krueger,

On behalf of the Lutheran Mission of the Good Shepherd of Kansas City I would like to thank you and the Missouri District Lutheran Women's Missionary League for the \$20,000 grant from your 2006 District Convention for purchase of a van for our ministry. Janice Rose, MO District LWML President, presented the check to Rev. David Loza, of our staff, during the service at Jesus el Buen Pastor Lutheran Church on Sunday, October 21, 2007.

We are very grateful for the continued support of the Missouri District Lutheran Women's Missionary League. When an individual, group or congregation contributes to our ministry, they become partners with us in spreading the Gospel of Jesus Christ in greater Kansas City and in assisting thousands of needy men, women and children with food, clothing, and emergency assistance, demonstrating the love of Christ through our actions. It takes all of us, working together, to accomplish our "mission in the city."

May God continue to bless you and the members of the Lutheran Women's Missionary League today, tomorrow and always!

In Christ's Service,
Tom Eckard
Executive Director
