

Missouri District LWML Mission Grant 2006-2008

Little Lambs Play Place - \$3,980 – Cape Girardeau

LWML mites will fund building and equipping a safe, age –appropriate playground area at Good Shepherd Lutheran Chapel in Cape Girardeau, MO. Good Shepherd reaches out to foster parents and their families and has regular events in which unchurched visitors and children are at their congregation. A visible outdoor playground would let unchurched families that pass by see that Good Shepherd is a family friendly church that welcomes children and values their needs.

Heavenly Father,

We pray that you would bless this ministry, which seeks to reach out to families who need to know Jesus. May all that they do point these little ones and their families to the cross. Empower the teachers and staff to be witnesses of you. Lord, cause the members of Good Shepherd to partner in this important endeavor.

In Jesus Name,

Amen
