

Missouri District LWML Mission Grant 2006-2008

Resource Ministry for Body and Soul - Kansas City - \$7,440

LWML mites would expand a successful ministry that has produced both physical and spiritual results with Hispanic immigrants in inner city Kansas City, MO. Our Redeemer operates a food and clothing pantry, holds monthly worship services for the homeless and extreme poor and provides “Good Samaritan” funds to those in extreme need. Our mites will fund a part-time salary for a resource director who will reach out to Hispanic families new to the area. Our mites will also pay expenses for a van driver to transport people to church. Most first generation Hispanic women do not drive and are totally dependent on husbands or relatives for rides.

Dear Father in heaven, As we become more aware of the many homeless and extremely poor who are in need of food, clothing, and spiritual welfare, we ask that You grant us compassionate hearts to freely give of our mites to provide for the Resource Ministry for Body and Soul at Our

Redeemer Lutheran Church in Kansas City. Being given the opportunity to help provide for the needs of others in physical and spiritual distress reminds us of Christ’s words “inasmuch as you did it to one of the least of these My brethren, you did it to Me.” May we respond generously. In His name we pray. Amen
