

Brief Library overview.....

Missouri District LWML lending DVD Library.

Hear†warmers are Song-Leading DVD's for the Home Bound or residents in Nursing Homes. Exclusive pictorial sing-along format is used in these 30 minute DVD's, which includes:

- ♥ Extra large words against a dark background. (And words are where they can easily be seen.)
- ♥ Over 30 singing-voices on the DVD's "back" each song...which really stimulate participation.
- ♥ Colorful, coordinated artwork accompanies each musical phrase.
- ♥ All are sung a little "slower" and "lower" for older voices.
