### Missouri Deaf Mission Mobile Media Centers \$9,000

Holy Cross Lutheran Church for the Deaf, St. Louis, Missouri, seeks to establish Deaf Mission Mobile Media centers to facilitate through distant learning opportunities the training and equipping of deaf leaders in Missouri to reach out to the 94% of deaf who do not believe in Jesus as their Lord and Savior.

Holy Cross Deaf will, from these Mobile Media Centers, offer deaf Bible studies and Deaf PAH, the lay level training program within the deaf Institute of Theology located at Concordia Seminary in St. Louis, as the basis for the training.

*Dear Lord God, We know it is your desire for us to reach out with the saving message of Christ's redeeming love and salvation for all people. Many deaf in our midst have not come to the saving words of the Gospel and are in need of dedicated leaders to bring it to them. Encourage those who will be providing the training programs for Deaf leaders with the knowledge that we support them in their efforts through our mites and prayers. May these leaders effectively witness to the saving message of Jesus Christ and to boldly proclaim your Word. Strengthen these deaf leaders in their faith and skills, in the name of the Living Word, Jesus, we pray. Amen.*
