

Lutheran Women's Missionary League Missouri District Convention June 7-9, 2024

The theme for the 2024 LWML Missouri District Convention, which will be held at Stoney Creek Hotel and Conference Center, Independence, Missouri, is **"He will make your paths straight"** taken from Proverbs 3:5-6. One of the favorite activities of the convention is enjoying the beautiful and inspiring banner processional. Each zone will have a banner of their own design to be carried in the processional by the zone president. Although every banner will be based on the theme verse, Proverbs 3:5-6, and the theme, **"He will make your paths straight"**, each banner is unique and creative.

Now is the time to contact the talented and resourceful women of your zone to begin planning the banner design for the convention. As an option for 2024, the banner may be constructed as a baby quilt to be given away. A drawing with a description of your zone banner and name of the designer and maker of the banner (see attached) needs to be submitted to the convention manual chairman, Patty Walkenhorst, by **March 11, 2024** to be included in the convention manual. A 300 dpi and jpg format is good for email.

Banner Specifications:

1. Finished banner size is to be 3' x 5'. Added fringe may be longer.
2. Base your banner on the theme, **"He will make your paths straight"** from Proverbs 3:5-6. You may choose to use the convention logo or not.
3. Your zone name should be on the back of the banner. A loop needs to be attached on the back near the center bottom to allow the pole to slide through providing stability.
4. Attach the banner to a 1" dowel stick with an eye screw on the ends to secure cording. Cording can be strung through each eye screw, laying the cord flat along the rod and knotting it on the outside of each eye screw. The cord will stretch when the banner is hung. Please use cording that is heavy enough to support the weight of your banner. Poles and stands for the banners will be provided by the host committee.
