

SPECIAL EVENT PRICING

CPH Offer

Although the 2020 LWML Missouri District Convention was cancelled due to the Covid-19 outbreak, Concordia Publishing House is still here to support you and your ministry. CPH was planning on being present at the event with an exhibit showcasing our newly released products, pastoral resources, bible studies and devotional items. Even though the conference did not take place, I would still like to pass along to you the opportunity to purchase most CPH products at the special event pricing. This promotion discount is 20% plus free domestic shipping on orders over \$50. The percentage off applies to most items on the CPH website. Some of the exclusions are worship resources and curriculum materials.

Here are the details:

1. Go to www.cph.org and shop for the products you wish to purchase.
2. Add the items to your shopping cart.
3. Proceed to check-out and look for the “Redeem Promo Code” box and enter event2020.
4. Continue check-out as normal.

This will adjust the price of the items in your cart to reflect the special conference discount pricing. If you have any questions regarding this special offer or happen to experience any difficulty during the ordering process, please reach out to me as I am happy to assist.
