

In Memoriam

This year, many have known those who received their crown of glory and through God's grace, now rest in the loving arms of Jesus Christ our Lord.

Most recently we miss *Janice Rose* and *Edie Turner*. Janice served at the highest level of office in the Missouri District LWML. Edie was currently serving on the Board of Directors for the Missouri District LWML at the time of her death. Those who worked with these ladies have fond memories of their leadership qualities. Let us take time to remember Edie, Janice, and others we hold dear in our hearts who have faithfully served our Lord Jesus Christ in their endeavors with the LWML. We will keep each of them in our memories as faithful servants and friends.

Edith "Edie" Turner
